Index to Volume 38

Author Index

ABBOTT, ISABELLA A.
Peleophycus multiprocarpium gen. et sp. nov. (Gloiosiphoniaceae, Rhodophyta), 324–332

BAILEY-BROCK, JULIE H., and PETER J. HAYWARD
A Freshwater Bryozoan, *Hyalinella vaihiriae* Hastings (1929), from Hawaiian Prawn Ponds, 199–204

BAKER, C. SCOTT
Seasonal Contrasts in the Social Behavior of the North Pacific Humpback Whale [abstr.], 356

BAKER, GLADYS E.
see Dunn and Baker

BALDWIN, WAYNE J.
A Note on the Occurrence of the Gold Spot Herring, *Herklotsichthys quadrimaculatus* (Rüppell) in Hawaii, 123–126

BANKS, RICHARD C.
Bird Specimens from American Samoa, 150–169

BANNER, ALBERT H., and DORA M. BANNER
Old and Unreported Collections of Alpheid Shrimp from the Zoologisches Museum, Berlin, principally from Melanesia, 34–50

BANNER, DORA M.
see Banner and Banner

BELL, JANICE L.
Statoliths as Age Indicators in Gastropod Larvae: Application to Measurement of Field Growth Rates [abstr.], 357

BERG, JOHN T., and RICHARD M. SMITH
A Role for Phagocytes in Endotoxin Protection from Oxygen Toxicity [abstr.], 87–88

BIENFANG, PAUL K., LUIS MORALES, KAREN KLEIN, and MASAYUKI TAKAHASHI
Picoplankton Growth Rates in Subtropical Hawaiian Embayments, 134–140

BRASHEAR, ROBERTA LYNN
The Isolation and Preliminary Characterization of Canavanine Resistant Mutants of HeLa Cells [abstr.], 88

BROCK, RICHARD E.
A Contribution to the Trophic Biology of the Blue Marlin (*Makaira nigricans* Lacépède, 1802) in Hawaii, 141–149

BROSTOFF, WILLIAM N.
Sporochnus dotyi sp. nov. (Sporochnales, Phaeophyta), a Brown Alga from Hawaii, 177–181

BRUCE, A. J., and D. A. CROPP
A Redescription of *Periclimenes yaldwyni* Holthuis (*Brachycarpus audouini* Bate, 1888, Crustacea, Decapoda, Palaemonidae) and Its Occurrence in Australian Waters, 189–198

CANFIELD, JOAN E.
Tissue Water Relations of Bog and Rainforest Plants of Alakai Swamp, Kauai, Hawaii [abstr.], 357–358

CANNON, MARILYN I.
New Findings on the Systematics, Cytology, and Reproductive Strategies of *Porphyra* (Bangiaceae, Rhodophyta) in Hawaii and California [abstr.], 358

CARLSON, BRUCE A., JAMES MCKIBBEN, and MICHAEL V. DEGRUY
Nautilus belauensis (Mollusca: Cephalopoda): A Test of the Vertical Migration Hypothesis Using Telemetry [abstr.], 88–89
Telemetric Investigation of Vertical Migration of *Nautilus belauensis* in Palau, 183–188

CHANG, LINDA
Metaphase Chromosome Comparisons in Five Species of Hawaiian *Drosophila* [abstr.], 359

CLARKE, BRYAN, JAMES MURRAY, and MICHAEL S. JOHNSON
The Extinction of Endemic Species by a Program of Biological Control, 97–104

COX, EVELYN
The Effects of Selective Predation on Growth and Competitive Interactions between Two Corals, *Montipora verrucosa* and *Porites compressa*, in Kaneohe Bay, Oahu [abstr.], 359–360

CROPP, D. A.
see Bruce and Cropp

DEGRUY, MICHAEL V.
see Carlson, McKibben, and DeGruy

DUNN, PAUL H., and GLADYS E. BAKER
Filamentous Fungal Populations of Hawaiian Beaches, 232–248

DUNN, RONALD E.
Sugar Transport by Lobster Hepatopancreatic Brush Border Membrane Vesicles from Whole Tissue and Isolated Absorptive Cells [abstr.], 360

EAGLE, R. J.
see Noshkin, Wong, Eagle, and Jokela

FITZHARDINGE, RACHEL
Some Preliminary Observations on Coral Recruitment in Kaneohe Bay, Oahu [abstr.], 361

GOLDBERG, STEPHEN R., and DONALDO MUSSIETT C.
Reproductive Cycle of the Pacific Bonito, *Sarda chilensis* (Scombridae), from Northern Chile, 228–231

GOSLINE, WILLIAM A.
Structure, Function, and Ecology in the Goatfishes (Family Mullidae), 312–323

GRAHAM, ROBERT A.
see Posey, Pregnall, and Graham

GRANT, GILBERT S., and G. CAUSEY WHITTOW
Metabolic Rate of Laysan Albatross and Bonin Petrel Chicks on Midway Atoll, 170–176

Index to Volume 38

Distribution and Ecology of Shallow-Water Crinoids at Enewetak Atoll, Marshall Islands, with an Annotated Checklist of Their Symbionts, 105–122

Subject Index*

Acrosome reaction of guinea pig spermatozoa, pH-dependence of motility and the [abstr.], 368–369
Alakai Swamp
  see Hawaiian Islands
Alaska
  seasonal contrasts in the social behavior of the North Pacific humpback whale [abstr.], 356
Algae in Hawaii, a taxonomic survey of: a report on some common species [abstr.], 371–372
American Samoa
  see Samoa, American
Angiospermae
  see Magnoliopsida
Anthias fucinus sp. nov., 220–227
Anthozoa
  changes in structure of coral reef fish communities by destruction of hermatypic corals: observational and experimental views, 51–79
  effects of selective predation on growth and competitive interactions between two corals, *Montipora verrucosa* and *Porites compressa*, in Kaneohe Bay, Oahu [abstr.], 359–360
  mucus production by corals exposed during an extreme low tide, 1–11
  notes on Indo-Pacific scleractinian corals. Part 10. Late Pleistocene ahermatypic corals from Vanuatu, 205–219
  patchwork patchreefs: clonal diversity of the coral *Porites compressa* in Kaneohe Bay, Oahu [abstr.], 363–364
  preliminary observations concerning the abundance and distribution of planktonic coral larvae in Kaneohe Bay, Oahu [abstr.], 362
  reef corals *Lithactinia* and *Polyphyllia* (Anthozoa, Scleractinia, Fungiidae): a study of morphological, geographical, and statistical differences, 12–27
  some preliminary observations on coral recruitment in Kaneohe Bay, Oahu [abstr.], 361
Asteroidea
  changes in structure of coral reef fish communities by destruction of hermatypic corals: observational and experimental views, 51–79
Auditory function in the brain, development of: a study of far-field evoked responses in newborn and adult chickens [abstr.], 364
Australia
  a redescription of *Periclimenes yaldwyni* Holthuis (*Brachycarpus audouini* Bate, 1888, Crustacea, Decapoda, Palaemonidae) and its occurrence in Australian waters, 189–198
Aves
  bird specimens from American Samoa, 150–169
  development of auditory function in the brain: a study of far-field evoked responses in newborn and adult chickens [abstr.], 364
  metabolic rate of Laysan albatross and Bonin petrel chicks on Midway Atoll, 170–176

Bikini Atoll
  see Marshall Islands
Biological control, extinction of endemic species by a program of, 97–104
Bivalvia
  opening of bivalves by a nonchelate crustacean predator [abstr.], 366–367
  prey capture in *Lyonsiella formosa* (Bivalvia: Anomalodesmata: Verticordiacea), 283–297
Bog and rainforest plants of Alakai Swamp, Kauai, Hawaii, tissue water relations of [abstr.], 357–358
Bourneotrochus veroni sp. nov., 205–219
Brain, development of auditory function in: a study of far-field evoked responses in newborn and adult chickens [abstr.], 364

California
  new findings on the systematics, cytology, and reproductive strategies of *Porphyra* (Bangiaceae, Rhodophyta) in Hawaii and California [abstr.], 358
Cephalopoda
  Nautilus belauensis (Mollusca: Cephalopoda): a test of the vertical migration hypothesis using telemetry [abstr.], 88–89
  telemetric investigation of vertical migration of *Nautilus belauensis* in Palau, 183–188
Chile
  reproductive cycle of the Pacific bonito, *Sarda chilensis* (Scombridae), from northern Chile, 228–231
Chromosome comparisons in five species of Hawaiian *Drosophila*, metaphase [abstr.], 359
Clonal diversity of the coral *Porites compressa* in Kaneohe Bay, Oahu, patchwork patchreefs [abstr.], 363–364
Coelomycetes
  filamentous fungal populations of Hawaiian beaches, 232–248
Columbia River
  see Washington (state)
Crinoidea
  distribution and ecology of shallow-water crinoids at Enewetak Atoll, Marshall Islands, with an annotated checklist of their symbionts, 105–122
Crustacea
  aloha also means goodbye: cryptogenic stomatopod in Hawaii, 298–311
  alternate male reproductive strategies in the giant Malaysian prawn, *Macrobrachium rosenbergii* [abstr.], 372–373
  influence of molt frequency and size composition on estimates of populations of the spiny lobster, *Panulirus marginatus* [abstr.], 91–92
  old and unreported collections of alpheid shrimp from the Zoologisches Museum, Berlin, principally from Melanesia, 34–50
  opening of bivalves by a nonchelate crustacean predator, [abstr.], 366–367

* Biological organisms are indexed under their respective classes.

redescription of *Periclimenes yaldwyni* Holthuis (*Brachycarpus audouini* Bate, 1888, Crustacea, Decapoda, Palaemonidae) and its occurrence in Australian waters, 189–198
setagenesis as a molt-staging technique in the slipper lobster, *Scyllarides squammosus* (Milne Edwards) [abstr.], 91
sugar transport by lobster hepatopancreatic brush border membrane vesicles from whole tissue and isolated absorptive cells [abstr.], 360
supply of empty shells and the population structure of the hermit crab *Calcinus seurati* [abstr.], 364–365

Echinoidea
expression of a SRC-homologous gene during embryogenesis of the Hawaiian sea urchin *Tripneustes gratilla* [abstr.], 370–371
Embayments, picoplankton growth rates in subtropical Hawaiian, 134–140
Embryogenesis of the Hawaiian sea urchin *Tripneustes gratilla*, expression of a SRC-homologous gene during [abstr.], 370–371
Endemic species, extinction of by a program of biological control, 97–104
Endotoxin protection from oxygen toxicity, a role for phagocytes in [abstr.], 87–88
Enewetak Atoll
see Marshall Islands
Extinction of endemic species by a program of biological control, 97–104

Gastropoda
extinction of endemic species by a program of biological control, 97–104
possible effects of intraspecific competition upon the population structure of a solitary vermetid mollusk [abstr.], 92–93
statoliths as age indicators in gastropod larvae: application to measurement of field growth rates [abstr.], 357

Hawaii (island of)
see Hawaiian Islands
Hawaiian Islands
ʻaloha also means goodbye: a cryptogenic stomatopod in Hawaii, 298–311
contribution to the trophic biology of the blue marlin (*Makaira nigricans* Lacépède, 1802) in Hawaii, 141–149
distribution and abundance of coral-feeding butterflyfishes at Puako, Hawaii [abstr.], 90
effects of reef isolation and habitat structure on the fish communities of small artificial reefs [abstr.], 94
effects of selective predation on growth and competitive interactions between two corals, *Montipora verrucosa* and *Porites compressa*, in Kaneohe Bay, Oahu [abstr.], 359–360
expression of a SRC-homologous gene during embryogenesis of the Hawaiian sea urchin *Tripneustes gratilla* [abstr.], 370–371
filamentous fungal populations of Hawaiian beaches, 232–248
freshwater bryozoan, *Hyalinella vaihiriae* Hastings (1929), from Hawaiian prawn ponds, 199–204
growth and refoliation of koa trees infested by the koa moth, *Scotorythra paludicola* (Lepidoptera: Geometridae), 333–339
Hawaii's alectorioid lichens, 248–252
metaphase chromosome comparisons in five species of Hawaiian *Drosophila* [abstr.], 359
mucus production by corals exposed during an extreme low tide, 1–11
new findings on the systematics, cytology, and reproductive strategies of *Porphyra* (Bangiaceae, Rhodophyta) in Hawaii and California [abstr.], 358
new species of serranid fish of the genus *Anthias* from the Hawaiian Islands and Johnston Island, 220–227
note on the occurrence of the gold spot herring, *Herklotsichthys quadrimaculatus* (Rüppell) in Hawaii, 123–126
novelties in Lipochaeta (Compositae). Hawaiian Plant Studies 119, 253–282
pair bond formation and monogamy in two species of Hawaiian butterflyfishes (Fam. Chaetodontidae) [abstr.], 363
patchwork patchreefs: clonal diversity of the coral *Porites compressa* in Kaneohe Bay, Oahu [abstr.], 363–364
Peleophycus multiprocarpium gen. et sp. nov. (Gloiosiphoniaceae, Rhodophyta), 324–332
picoplankton growth rates in subtropical Hawaiian embayments, 134–140
preliminary observations concerning the abundance and distribution of planktonic coral larvae in Kaneohe Bay, Oahu [abstr.], 362
prey capture in *Lyonsiella formosa* (Bivalvia: Anomalodesmata: Verticordiacea), 283–297
productivity of the seagrass *Halophila hawaiiana* [abstr.], 362
reproduction in *Galaxaura* (Rhodophyta) [abstr.], 367
seasonal contrasts in the social behavior of the North Pacific humpback whale [abstr.], 356
some preliminary observations on coral recruitment in Kaneohe Bay, Oahu [abstr.], 361
Sporochnus dotyi sp. nov. (Sporochnales, Phaeophyta), a brown alga from Hawaii, 177–181
stripping of *Acacia koa* bark by rats on Hawaii and Maui, 80–86
supply of empty shells and the population structure of the hermit crab *Calcinus seurati* [abstr.], 364–365
taxonomic survey of microscopic freshwater algae in Hawaii: a report on some common species [abstr.], 371–372
tissue water relations of bog and rainforest plants of Alakai Swamp, Kauai, Hawaii [abstr.], 357–358
Hawaiian Islands, Northwestern
experimental study of the effects of piscivorous predators on reef fish recruitment, survival, and community structure [abstr.], 92
food habits of piscivorous coral reef fishes from the Northwestern Hawaiian Islands [abstr.], 369–370
metabolic rate of Laysan albatross and Bonin petrel chicks on Midway Atoll, 170–176

HeLa cells, the isolation and preliminary characterization of canavanine resistant mutants of [abstr.], 88
Hypomycetes
filamentous fungal populations of Hawaiian beaches, 232–248

Illinois
intervention analysis of power plant impact on fish populations [abstr.], 367–368
Indonesia
redescription of the pufferfish *Torquigener brevipinnis* (Regan) (Tetraodontiformes: Tetraodontidae), with description of a new species of *Torquigener* from Indonesia, 127–133
Indo-Pacific Ocean
new species of serranid fish of the genus *Anthias* from the Hawaiian Islands and Johnston Island, 220–227
reef corals *Lithactinia* and *Polyphyllia* (Anthozoa, Scleractinia, Fungiidae): a study of morphological, geographical, and statistical differences, 12–27
Insecta
growth and refoliation of koa trees infested by the koa moth, *Scotorythra paludicola* (Lepidoptera: Geometridae), 333–339
metaphase chromosome comparisons in five species of Hawaiian *Drosophila* [abstr.], 359
Intervention analysis of power plant impact on fish populations [abstr.], 367–368

Lipochaeta vittata sp. nov., 253–282
Lipochaeta Warshaueri sp. nov., 253–282
Loculoascomycetes
filamentous fungal populations of Hawaiian beaches, 232–248

Magnetoreceptor organelles in the yellowfin tuna, *Thunnus albacares*, single domain magnetite crystals and their possible arrangement in [abstr.], 93–94
Magnoliopsida
growth and refoliation of koa trees infested by the koa moth, *Scotorythra paludicola* (Lepidoptera: Geometridae), 333–339
novelties in Lipochaeta (Compositae). Hawaiian Plant Studies 119, 253–282
productivity of the seagrass *Halophila hawaiiana*, [abstr.], *362*
stripping of *Acacia koa* bark by rats on Hawaii and Maui, 80–86
tissue water relations of bog and rainforest plants of Alakai Swamp, Kauai, Hawaii [abstr.], 357–358
Mammalia
pH-dependence of motility and the acrosome reaction of guinea pig spermatozoa [abstr.], 368–369
seasonal contrasts in the social behavior of the North Pacific humpback whale [abstr.], 356
stripping of *Acacia koa* bark by rats on Hawaii and Maui, 80–86
Marshall Islands
concentrations of ^{207}Bi and ^{210}Pb-^{210}Bi-^{210}Po disequilibrium in fish, 350–355
distribution and ecology of shallow water crinoids at Enewetak Atoll, Marshall Islands, with an annotated checklist of their symbionts, 105–122
Maui
see Hawaiian Islands
Melanesia
old and unreported collections of alpheid shrimp from the Zoologisches Museum, Berlin, principally from Melanesia, 34–50
Metabolic rate of Laysan albatross and Bonin petrel chicks on Midway Atoll, 170–176
Midway Atoll
see Hawaiian Islands, Northwestern
Monoclonal enzyme-linked assay, detection of in situ hybrids by [abstr.], 89–90
Monogamy in two species of Hawaiian butterflyfishes (Fam. Chaetodontidae), pair bond formation and [abstr.], 363
Moorea
see Polynesia, French
Motility and the acrosome reaction of guinea pig spermatozoa, pH-dependence of [abstr.], 368–369
Mount St. Helens
see Washington (state)
Mucus production by corals exposed during an extreme low tide, 1–11
Mutants of HeLa cells, the isolation and preliminary characterization of canavanine resistant [abstr.], 88

New Species
Anthias fucinus (Pisces), 220–227
Bourneotrochus veroni (Anthozoa), 205–219
Lipochaeta Christophersenii (Magnoliopsida), 253–282
Lipochaeta elliptica (Magnoliopsida), 253–282
Lipochaeta Garberi (Magnoliopsida), 253–282
Lipochaeta kaenaensis (Magnoliopsida), 253–282
Lipochaeta mauiensis (Magnoliopsida), 253–282
Lipochaeta molokiniensis (Magnoliopsida), 253–282
Lipochaeta nesophila (Magnoliopsida), 253–282
Lipochaeta pinnatifida (Magnoliopsida), 253–282

Lipochaeta robusta (Magnoliopsida), 253–282
Lipochaeta setosa (Magnoliopsida), 253–282
Lipochaeta vittata (Magnoliopsida), 253–282
Lipochaeta Warshaueri (Magnoliopsida), 253–282
Peleophycus multiprocarpium (Rhodophyceae), 324–332
Porphyra spp. (Rhodophyceae) [abstr.], 358
Sporochnus dotyi (Phaeosporeae), 177–181
Torquigener gloerfelti (Pisces), 127–133

Oahu
see Hawaiian Islands
Okinawa
changes in structure of coral reef fish communities by destruction of hermatypic corals: observational and experimental views, 51–79
Oregon
brief description of a subtidal sabellariid (Polychaeta) reef on the southern Oregon coast, 28–33
Oxygen toxicity, a role for phagocytes in endotoxin protection from [abstr.], 87–88

Pacific Proving Grounds
see Marshall Islands
Pair bond formation and monogamy in two species of Hawaiian butterflyfishes (Fam. Chaetodontidae) [abstr.], 363
Palau
Nautilus belauensis (Mollusca: Cephalopoda): a test of the vertical migration hypothesis using telemetry [abstr.], 88–89
telemetric investigation of vertical migration of *Nautilus belauensis* in Palau, 183–188
Peleophycus multiprocarpium sp. nov., 324–332
Phaeophyceae
Sporochnus dotyi sp. nov. (Sporochnales, Phaeophyta), a brown alga from Hawaii, 177–181
Phagocytes in endotoxin protection from oxygen toxicity, a role for [abstr.], 87–88
Phylactolaemata
a freshwater bryozoan, *Hyalinella vaihiriae* Hastings (1929), from Hawaiian prawn ponds, 199–204
Picoplankton growth rates in subtropical Hawaiian embayments, 134–140
Pisces
changes in structure of coral reef fish communities by destruction of hermatypic corals: observational and experimental views, 59–71
concentrations of ^{207}Bi and ^{210}Pb-^{210}Bi-^{210}Po disequilibrium in fish, 350–355
contribution to the trophic biology of the blue marlin (*Makaira nigricans* Lacépède, 1802) in Hawaii, 141–149
distribution and abundance of coral-feeding butterflyfishes at Puako, Hawaii [abstr.], 90
effects of reef isolation and habitat structure on the fish communities of small artificial reefs [abstr.], 94
evidence for sex change and data on spawning frequency from the gonads of a pomacanthid fish [abstr.], 365–366
experimental study of the effects of piscivorous predators on reef fish recruitment, survival, and community structure [abstr.], 92
food habits of piscivorous coral reef fishes from the Northwestern Hawaiian Islands [abstr.], 369–370
intervention analysis of power plant impact on fish populations [abstr.], 367–368
new species of serranid fish of the genus *Anthias* from the Hawaiian Islands and Johnston Island, 220–227
note on the occurrence of the gold spot herring, *Herklotsichthys quadrimaculatus* (Rüppell) in Hawaii, 123–126
pair bond formation and monogamy in two species of Hawaiian butterflyfishes (Fam. Chaetodontidae) [abstr.], 363
Pisces
redescription of the pufferfish *Torquigener brevipinnis* (Regan) (Tetraodontiformes: Tetraodontidae), with description of a new species of *Torquigener* from Indonesia, 127–133
reproductive cycle of the Pacific bonito, *Sarda chilensis* (Scombridae), from northern Chile, 228–231
single domain magnetite crystals and their possible arrangement in magnetoreceptor organelles in the yellowfin tuna, *Thunnus albacares* [abstr.], 93–94
some aspects of the early life history of mahimahi (*Coryphaena hippurus*) reared in the laboratory [abstr.], 89
structure, function, and ecology in the goatfishes (Family Mullidae), 312–323
Plectomycetes
filamentous fungal populations of Hawaiian beaches, 232–248
Polychaeta
a brief description of a subtidal sabellariid (Polychaeta) reef on the southern Oregon coast, 28–33
Polynesia, French
extinction of endemic species by a program of biological control, 97–104
Porphyra spp. nov. [abstr.], 358
Power plant impact on fish populations, intervention analysis of [abstr.], 367–368
Prawn ponds, a freshwater bryozoan, *Hyalinella vaihiriae* Hastings (1929), from Hawaiian, 199–204
Predation, the effects of selective, on growth and competitive interactions between two corals, *Montipora verrucosa* and *Porites compressa*, in Kaneohe Bay, Oahu [abstr.], 359–360
Prey capture in *Lyonsiella formosa* (Bivalvia: Anomalodesmata: Verticordiacea), 283–297
Productivity of the seagrass *Halophila hawaiiana* [abstr.], 362
Pyrenomycetes
filamentous fungal populations of Hawaiian beaches, 232–248

Rainforest plants of Alakai Swamp, Kauai, Hawaii, tissue water relations of bog and [abstr.], 357–358
Reefs
brief description of a subtidal sabellariid (Polychaeta) reef on the southern Oregon coast, 28–33
effects of reef isolation and habitat structure on the fish communities of small artificial reefs [abstr.], 94
patchwork patchreefs: clonal diversity of the coral

Porites compressa in Kaneohe Bay, Oahu [abstr.], 363–364
Refoliation of koa trees infested by the koa moth, *Scotorythra paludicola* (Lepidoptera: Geometridae), growth and, 333–339
Reproductive cycle of the Pacific bonito, *Sarda chilensis* (Scombridae), from northern Chile, 228–231
Reproductive strategies in the giant Malaysian prawn, *Macrobrachium rosenbergii*, alternate male [abstr.], 372–373
Rhodophyceae
new findings on the systematics, cytology, and reproductive strategies of *Porphyra* (Bangiaceae, Rhodophyta) in Hawaii and California [abstr.], 358
Peleophycus multiprocarpium gen. et sp. nov. (Gloiosiphoniaceae, Rhodophyta), 324–332
reproduction in *Galaxaura* (Rhodophyta) [abstr.], 367

Samoa, American
bird specimens from American Samoa, 150–169
Sex change and data on spawing frequency from the gonads of a pomacanthid fish, evidence for [abstr.], 365–366
Social behavior of the North Pacific humpback whale, seasonal contrasts in [abstr.], 356
Spawning frequency, data on, from the gonads of a pomacanthid fish, evidence for sex change and [abstr.], 365–366
Sporochnus dotyi sp. nov., 177–181
Sugar transport by lobster hepatopancreatic brush border membrane vesicles from whole tissue and isolated absorptive cells [abstr.], 360

Telemetric investigation of vertical migration of *Nautilus belauensis* in Palau, 183–188
Telemetry, a test of the vertical migration hypothesis [in] *Nautilus belauensis* (Mollusca: Cephalopoda): using [abstr.], 88–89
Tester Memorial Symposium, eighth annual Albert L., abstracts of papers, 87–94
Tester Memorial Symposium, ninth annual Albert L., abstracts of papers, 356–373
Tissue water relations of bog and rainforest plants of Alakai Swamp, Kauai, Hawaii [abstr.], 357–358
Torquigener gloerfelti sp. nov., 127–133
Trace metals in the Columbia River Estuary following the 18 May 1980 eruption of Mount St. Helens, 340–349
Trophic biology of the blue marlin (*Makaira nigricans* Lacépède, 1802) in Hawaii, a contribution to the, 141–149

Vanuatu
notes on Indo-Pacific scleractinian corals. Part 10. Late Pleistocene ahermatypic corals from Vanuatu, 205–219
Virgin Islands (U.S.)
evidence for sex change and data on spawning frequency from the gonads of a pomacanthid fish [abstr.], 365–366

Washington (state)
trace metals in the Columbia River Estuary following the 18 May 1980 eruption of Mount St. Helens, 340–349

Zygomycetes
filamentous fungal populations of Hawaiian beaches, 232–248
